About St. Bernard Project

SBP's mission is to ensure that disaster-impacted citizens and communities recover in a prompt, efficient and predictable manner. Through Disaster Resilience and Recovery Lab, SBP works to share lessons learned, prevent common barriers to recovery and help communities utilize SBP's standardized, repeatable and proven-effective model. Since its founding, SBP has rebuilt homes for more than 800 families with the help of 100,000 volunteers in the communities where we work: New Orleans; Joplin, MO; Staten Island, NY; Rockaway, NY; and Monmouth County, NJ.
