

## NEW JERSEY NATURAL GAS HOLDS ENERGY ASSISTANCE DAYS

New Jersey Natural Gas (NJNG) will host its annual Energy Assistance Days in communities throughout Monmouth, Ocean and Morris counties. Representatives from NJNG and Community Action Partnership agencies will be available to work with community members to answer questions, determine which energy assistance programs best meet your needs and assist with the application process. Income-eligible households may qualify for home energy-improvement programs to help reduce energy costs.

**Residents on a limited income or faced with unexpected financial hardship are encouraged to attend. To expedite the application process, please remember to bring social security cards and proof of income for all household members, your deed or rental lease and recent natural gas and electric bills.**

For more information, or to connect with NJNG's Energy Assistance specialists, e-mail [energyassist@njng.com](mailto:energyassist@njng.com) or call 800-221-0051.
