Re: Beachway Ave. Waterfront Development  
Block 184, Lots 1

To Whom it may Concern:

The Keansburg Water & Sewer Dept. has the firm capacity in our water allocation to supply the 8,960 GPD of water needed for the Beachway Ave. Waterfront Development Project. We also have the capacity in our sewer collection system to accept the 21,600 sewer flows from the proposed project. The Keansburg Water and Sewer Dept. has an 8" water line and an 8" sewer line running along Carr Ave. & Beachway Ave which can supply the utilities to your proposed project. If you have any questions, feel free to give me a call.

Yours truly,

*Steven Ussmann*
